

Charlotte Green Initiative Meeting Minutes

10/23/08

Meeting was called to order at 4pm in Facilities Management Room 119

Paula Gross from the greenhouse presented project ideas for collaboration with CGI

Justin noted that the website is waiting for a SQL database to be set up for the Wordpress content management system to access, ITS was handling this

Kathy noted that CGI asked for interest to participate in America Recycles Day on Nov. 13th.

Consensus was built around CGI having a tent on site.

Jason will be checking on obtaining a listserv and email address for the group.

Jason met with Melody Harris in the Cone Center to talk about our budget, we'll have \$18,000 this semester and \$40,000 every year.

Kathy noted that biodiesel from waste oil is being pursued by facilities management
